SINConf 2021: Thanks

- I am deeply indebted to **Naghmeb Moradpoor Sheykhkanloo** for her enduring professionalism, persistence to achieve and academic wisdom.
- I appreciated **Andrei Petrovski's** volunteering to lead Program Committee Chairing.
- Thanks go to **Behnam Rahnama** and **Sepideh Sadehpour** for great work at maintaining the SINConf website
- I am also greatly indebted to the following for their sponsoring SINConf 2021:
 - **Türkay Dereli**, the Rector of Hasan Kalyoncu University, Turkey, for hosting with 100% sponsoring responsibility;
 - Edinburgh Napier University for hosting;
 - IEEE United Kingdom & Ireland Section for sponsoring;
 - **Frank Wang**, IEEE United Kingdom & Ireland Section C Chapter.
- A big 'Thank You!' to our keynote speakers. They offered their time and knowledge to enlighten us all with their research:
 - Frank Wang, University of Kent, United Kingdom. [More info](#)
 - William (Bill) J Buchanan, Edinburgh Napier University, United Kingdom. [More info](#)
 - Willy Susilo, Univ. of Wollongong, Australia. [More info](#)
- Many thanks to our reviewers and authors.
- Thanks also go to my colleagues at the organizing institutions.
